LAMBORGHINI MIAMI AND DEEP IMPACT BOATS COLLABORATE TO CREATE AN EXCLUSIVE LINE OF LUXURY BOATS INSPIRED BY THE ITALIAN AUTO BRAND

May XX, 2009, MIAMI, Florida – **Deep Impact Boats**, manufacturer of luxury powerboats, and the premier exotic auto dealer **Lamborghini Miami** announced today they will collaborate to present an exclusive line of luxury powerboats inspired by the Italian auto brand.

The unique line of Deep Impact Boats will be customized from bow to stern and color matched to the unique colors of Lamborghini models available on the market. The first special edition Lamborghini Deep Impact available for purchase is the 36' Open, a Lamborghini Green Triple Engine with 350 Mercury Verados and white interior lined in blue and green accents reaching speeds above the 70 mph.

“The collaboration of Lamborghini Miami and Deep Impact Boats offers the consumer a completely unique and exclusive opportunity to combine two great luxury brands into one incredible product” said **Brett David** CEO/Owner of Lamborghini Miami. “The Deep Impact Boat has many common traits to the Lamborghini automobiles such as extreme looks, high top speeds and exhilarating mid-range acceleration,” said **Elias De La Torre III**, President of Plantation Boat Mart & Marina. “The stunning one-of-a-kind looks of a Deep Impact stand out the same as a Lamborghini when put amongst the others as well as something that most owners desire. The boats can be powered from mild to wild and with layouts completely custom built to fit the demanding customer wishes.”

On June 5, 2009 Lamborghini Miami and Deep Impact boats will debut the first models of the custom Lamborghini inspired Deep Impact 36' Open at the South Florida Boat show in Miami. The 36' Open Lamborghini Pearl White Quad Engine Mercury (with 350 SCi Verados) along with a Poker Run version Deep Impact with blue interior, and the 36' Open Lamborghini Pearl Orange Triple Engine with 300 Mercury Verados and a custom painted matching T-Top.
