Exotic and Vintage Cars • Custom and Classic Motorcycles • Boats on Display and ready for sea trials

We decided that since we, and so many of our customers, enjoy their boats, their motorcycles, and their classic/exotic cars, what better way to enjoy some friendship and good times than to put them all together! Throw in some local music, free beverages and delicious finger foods, and you have the makings of an awesome Saturday in the Keys!

Once a month, we invite our customers and our sales staff to bring their classic and exotic cars... ranging from Lamborghinis to 1967 Shelby Mustangs to 1964 Corvettes... and show them off to the thousands of travelers that pass by Mile Marker 90 every single day. Not only that, but our friends that bike, as well as local motorcycle vendors, bring their machines! From a 1962 Pan Head to incredible custom choppers to beautiful vintage Indians, the display makes for wonderful conversation and memories!

And it gets better! Plantation Boat Mart also has their full line of new and used product on display with boats in the water and ready for you to sea trial! Our expert staff will show you the features and benefits of the new line of Hydra-Sports. And we'll also be happy to present our PBM certified pre-owned boats!

Please join us once a month for Destination Plantation! Food and beverages are served all day! Come by boat, car, motorcycle, bring your hot rod, your prize bike, or your little round floatee. We guarantee fun, camaraderie, and good times with the PBM staff and their families.

PS. Come by boat and you pay what we pay for marine fuel! The cheapest in the Florida Keys! Fill 'er up!!
