### **Plantation Boat Mart & Marina to be Worldwide Distributor of Deep Impact Boats**

*May 22, ISLAMORADA, Florida Keys* – On May 21, 2009, **Plantation Boat Mart & Marina** and Deep Impact Boats announced that Plantation Boat Mart & Marina will resume as the exclusive U.S. and worldwide distributor of Deep Impacts Boats, the most luxurious and extreme center console powerboats on the market today.

Plantation Boat Mart & Marina, one of the first Marine Industry Five-Star Certified Dealerships in the country, will have a nice display of Deep Impacts (powered by both Mercury and Yamaha motors) in various configurations which will provide customers with the opportunity to view and engage in sea trials any time. Plantation Boat Mart & Marina is dedicated to providing Deep Impact customers with a low pressure, first class buying experience to meet the expectations of their clients, and will continue to offer Deep Impact boat buyers the highest quality service once the boat leaves the marina.

“We are excited to once again offer this truly unique, high performance powerboat,” commented **Elias De La Torre III**, President of Plantation Boat Mart & Marina. “It completes our dealership with the highest quality boats for the most demanding customers, no matter what their desires are.”

All Deep Impacts are designed to be a one-of-kind vessel that is fully customized from bow to stern and is the most luxurious center console powerboat available today. Each Deep Impact is built exactly how the customer wants it with emphasis on performance, comfort and economy unlike what any other builder can do for their customers.

G.P.S. International Inc. is the builder of Deep Impact Boats, and Plantation Boat Mart & Marina located in Islamorada in the upper Florida Keys, is the exclusive U.S. and Worldwide distributor of Deep Impact.
